The Fun Ships.

Carnival Cruise Lines is the most popular and most profitable cruise line in the world. The leader in the contemporary cruise sector, Carnival operates over 20 ships around the world. Carnival Cruise Lines' ships provide voyages from 3 to 16 days in length to such exotic locations as the Bahamas, Caribbean, Mexican Riviera, Alaska, Hawaii, Northern Europe, Mediterranean and Panama Canal. Carnival Cruise Lines ships combine an incredible selection of onboard activities with gleaming, modern ships and dedication to guest satisfaction, that it's no wonder that Carnival has become "The Most Popular Cruise Line in the World". Our ships are known as The Fun Ships® and are marketed to all ranges of people, ages and incomes. We're a casual, value-oriented cruise line appealing to the young at heart of all ages.
