

Art Specialist

ArtLink is embarking on an exciting new luxury cruise line Art experience. We are looking for a team of professionals who have a passion for Art, enthusiasm to explore the world and meet interesting and diverse people while leading our business in this new venue to reach incredible heights. Are you ready to join a team of energetic and creative entrepreneurs? If you are motivated by a high energy work environment, get inspired by delivering an enriching experience to our guests and have a desire to travel the world while working in an environment with unlimited opportunity for personal growth, we would love to meet you.

Art Specialist Job Summary:

Our Art specialist will act as the apprentice to the Art Concierge, learning and developing to grow with the company. They will support the events through setup and changes, act as the administrator that allows the Art Concierge to focus on the guest experience and manage the selling/transaction process. While they are learning they will also be engaging guests and imparting their knowledge about the Art/Artist to inspire, educate and close sales.

Art Specialist Responsibilities:

- Develop and apprentice with the Art Concierge
- Merchandise and set up (and take down) art displays that enrich the art experience presentation and pique the guest desire to bring home an art memory from their vacation
- Learn and be educated on the artists' backgrounds and communicate the unique experience of each art display
- Manage the sales process from beginning to end
- Be knowledgeable on the art offered as well as the shipping, payment and fulfillment process
- Ensure art is handled with care and in compliance with ship safety standards
- Perform administrative functions that support presentations, events and seminars
- Coordinate logistics of each artist's visit onboard the ship
- Manage the art inventory and storage

Art Specialist Qualifications:

- Passion/interest/experience in Art. Education in Art preferred.
- Ability to organize and multitask in a fast-paced environment
- Customer service orientation
- Professionalism, positivity and a can-do attitude
- Excellent communication skills
