

# Pro DJ

## OVERVIEW

Carnival Cruise Line features some of the largest dance clubs afloat with state-of-the-art lighting and sound technology. We're looking for professional, hardworking and enthusiastic disc jockeys who love to entertain people and make sure they have a great time. Carnival's Pro DJs provide entertainment in various shipboard locations which, in addition to dance clubs, include poolside and deck areas, various lounges and bars, and a host of other venues. Carnival's "Fun Ship" DJs go beyond taking requests and create a fun and memorable environment for our guests.

## SUBMISSION REQUIREMENTS

1. Record and upload a 7 – 10 minute video of your live performance. The performance can be anywhere from a live show or in the comfort of your bedroom just as long as you display what you do and how you do it. We especially need to see "crowd interaction", it's important that we see how you sound & comfort level on the microphone. In this video you should be interacting with your live or imaginary audience. We recommend that you upload this video to either [youtube.com](https://www.youtube.com) or [vimeo.com](https://www.vimeo.com) and then submit the link to the video with your application. If the file is under 50Mb you can upload it in your online application.
2. Record a 20 minute "Open Format" music mix of either one of your live shows or in the studio. In this mix we are looking at your mixing ability and song selection. Remember this needs to be an OPEN FORMAT mix.. a sampling of what you would play to our cruise guests that hail from all walks of life and from places all over the world. We recommend that you upload this mix to a service such as [soundcloud.com](https://www.soundcloud.com) or use the audio upload function on the online application.
3. Submit updated resume along with 3 outside references and completed application.
