

Job Title: 2nd Engineer - NCL Holdings

Req Id 19722 - Posted 01/15/2018 - Engine - Regular

Norwegian Cruise Line Holdings Ltd. is a diversified cruise operator of leading global cruise lines spanning market segments from contemporary to luxury under the Norwegian Cruise Line®, Oceania Cruises® and Regent Seven Seas Cruises® brands.

Norwegian Cruise Line is the innovator in cruise travel with a history of breaking the boundaries of traditional cruising. Most notably with the introduction of Freestyle Cruising®, which revolutionized the industry by giving guests more freedom and flexibility on the most contemporary ships at sea.

Oceania Cruises is the clear market leader in the upper premium cruise segment featuring the finest cuisine at sea, elegant accommodations, impeccable service and destination-driven itineraries.

Regent Seven Seas Cruises redefined upscale cruising and is the market leader in the luxury cruise segment with all-suite accommodations, highly personalized service and the industry's most inclusive luxury experience, featuring round-trip air, inclusive luxury hotel stays, unlimited shore excursions and open bar throughout the ship among its numerous included amenities.

Countless career opportunities for you.

POSITION SUMMARY / ESSENTIAL FUNCTIONS
